

About EuroBrussels

EuroBrussels has been the number one European Affairs job site in Brussels since 2001. Our targeted audience consists of qualified professionals, actively seeking to improve their career opportunities in European Affairs and Policy. EuroBrussels is the central job source for well-educated, multi-lingual and geographically mobile candidates with experience in politics, law, economics and communication across Europe.

Through professional experience, we are familiar with the European Affairs community, its institutions, organisations, websites and working procedures – which is why we have been able to create a pioneer service for a large international and professional audience.

"We decided to post the job ad for Training & Communications Coordinator with Pre-selection Questions. It really saved a lot of time using the Pre-selection Questions to come up with a list of 5 candidates best qualified for an interview. Since then, we have offered the position to one of those candidates! I appreciated the help from the consultants to create the best questions and really thank them for the support they provided."
